

Dear Parents and Students,

During the summer we ask that your child does some summer reading. This will help your child to keep building their vocabulary and fluency as he or she enters third grade. At the bottom of this page is a list of various series of books at a third grade level. We are asking that your child choose any three books from any of these series from below. All of these series are AR (Accelerated Reader) and students will be allowed to take AR tests when they come back, which will count towards their first quarter AR goal of 12 points. We are looking forward to having a great year with your child next year.

Sincerely,
Mrs. Huelsman
Mrs. Schnegg
