

Dear Parents and Students,

My name is Andrew Bontrager and I am the Physical Education Teacher at St. Gabriel Consolidated School. I live in Harrison, OH with my wife, Amy and my son, Carter. During my free time, my family and I enjoy camping and playing sports. I graduated from Mount Vernon Nazarene University with a degree in Physical Education and Health. This will be my 4th year teaching at St. Gabriel.

This year in sixth through eighth grade, I plan on playing various games and activities with the students. I will continue to build on the skills and abilities that they have learned in previous years. With those skills, I still would like to incorporate teamwork and communication as well as being able to succeed as an individual.

Also this year, we will be playing games at a more competitive level. The students will be doing the Flying Pig Marathon Project again as well participating in activities related to the marathon. They will be encouraged to participate in events during the flying pig weekend. I want the students to have the knowledge of health and fitness that they can carry on throughout the year and later in life.

Please feel free to contact me with any questions or concerns. You can reach me during school hours by phone or email at a.bontrager@stgabeschool.org.

Thank You,

Mr. Andrew Bontrager
