### **Master Plan & Feasibility Study Update**

On October 14<sup>th</sup> the Pastors from the Advisory Commission met to discuss and respond to the full report and recommendations provided by the Advisory Commission. While we have not had any direct feedback from the Pastors to indicate a decision on moving forward with the Capital Campaign Feasibility Study, here's what we know so far:

- We understand that the Pastors have committed to providing a written response to the committee. We do not have an ETA on this response but we will keep you posted
- An immediate next step coming out of the meeting is the request for Mr. Eppelen to meet with the Superintendent of the Archdiocese. The objective of this meeting is to understand the future plans for the schools within the Archdiocese, specifically in our region within the Deanery and any implications this may have on our school relative to the proposed Master Plan

We will continue to provide updates on the progress of the Master Plan & Feasibility Study as they become available. We appreciate your continued support and prayers!
