

Dear incoming 5th grade students,

Your summer reading assignments have been posted to Google Classroom. Below you will find a summary of the assignments. If you have trouble accessing Google Classroom, you can email j.klenke@stgabeschool.org.

1. Read "Hatchet" by Gary Paulsen **and** complete the assigned chapter reviews.

The quizzes will be added to this assignment on June 30th, 2024 for the first half of the book (Chapters 1-10) and again on July 31st, 2024 for the rest of the book (Chapters 11-epilogue).

Each review will provide immediate feedback on what you have read and understood from the chapters.

NOTE: These quizzes will be taken as a completion grade, NOT for individual quiz grades. The points you receive after each quiz will only be for your own reference!

Completion of this assignment is worth 20 points. It is due August 22nd, 2024.

2. Complete your very own St. Gabriel Cougar "Yelp" style review of a pleasure reading book that you choose to read. ***You must choose a grade-level appropriate reading book.***

This "Purr-fect" Cougar book review should be brief and explain, in your own words, why you would recommend it to a friend.

NOTE: You may NOT review Hatchet!

Your "Purr-fect" review can either be printed and handwritten or typed and submitted via Google. Either way, use the attached document to complete this assignment.

The attachment will be added by June 30th, 2024 to this assignment page.

Completion of this assignment is worth 5 points. It is due August 22nd, 2024.
